

StarkRank Brand Guidelines

Logo

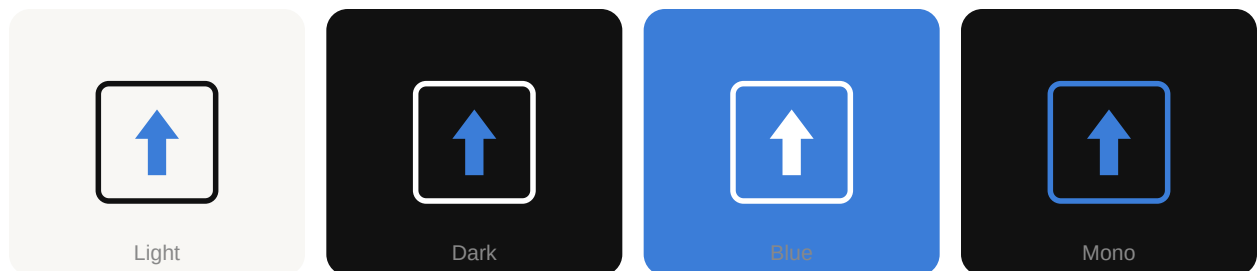

PRIMARY LOCKUP

INLINE LOCKUP

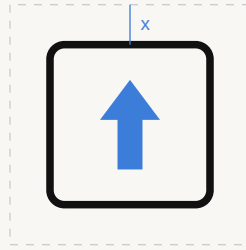

MARK ONLY

Logo Usage

CLEAR SPACE

Minimum clear space = 1/4 of mark width on all sides

MINIMUM SIZE

24px — Digital minimum

32px — Recommended minimum

16px — Favicon only

DON'TS

Don't rotate the mark

Don't stretch or distort

Don't change the colors

Don't add drop shadows

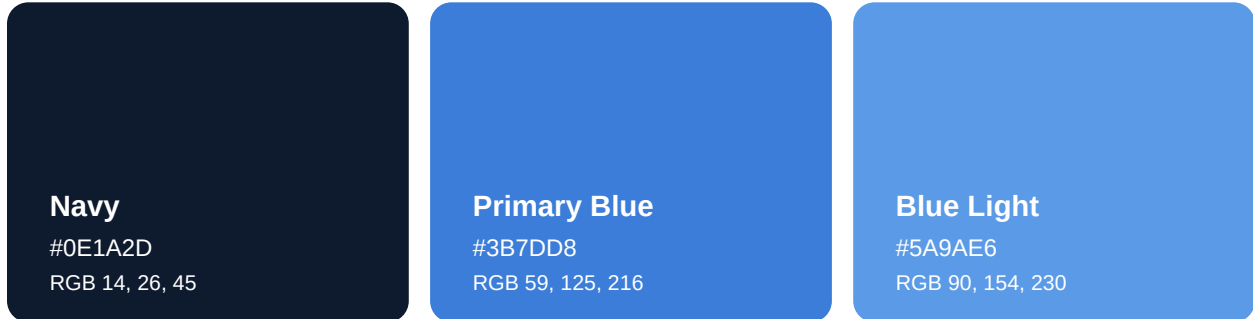

Don't place on busy photos

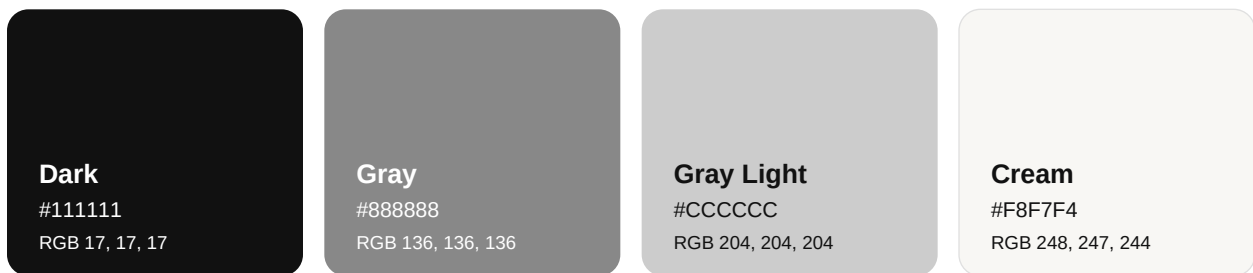

Don't outline the arrow

Color Palette

PRIMARY COLORS

NEUTRAL COLORS

COLOR USAGE RULES

- Primary Blue is the brand accent — use for the arrow mark and 'Rank' wordmark.
- Navy is the preferred dark background. Use instead of pure black for brand consistency.
- Cream is the preferred light background. Use instead of pure white for warmth.
- Never use blue as a background color with white text in body copy.
- Maintain sufficient contrast ratio (4.5:1 minimum) for all text applications.
